Chairman, Board of Trustees, City of Tarpon
Springs Police Officers' Pension Plan

March 22, 2024

Date

1. **BOARD OF TRUSTEES AND PLAN ADMINISTRATION**

A. **Administration.**

- (1) The City of Tarpon Springs Police Officers' Pension Plan is a defined benefit pension plan administered by a Board of Trustees which acts as the administrator of the Plan. The Board consists of 5 Trustees, 2 of whom shall be legal residents of the City who are appointed by the City Commission, 2 of whom are Members of the Plan who are elected by a majority of the Police Officers who are Members of the Plan and a fifth Trustee who is chosen by a majority of the first 4 Trustees. Each Trustee serves a two year term.
- (2) DROP participants may be elected as Trustees but may not vote for elected Trustees.

B. The names and addresses of the current Trustees and Plan Administrator are attached to this Summary Plan Description as Exhibit "A". The Chairman of the Board is designated as agent for the service of legal process.

2. **ELIGIBILITY FOR PLAN MEMBERSHIP**

Each person employed by the City Police Department as a full-time Police Officer becomes a member of the Plan as a condition of his employment. All Police Officers are therefore eligible for plan benefits as provided for in the plan document and by applicable law.

3. **PLAN BENEFITS**

All claims for benefits under the Plan shall be made in writing to the Board.

A. **Normal Retirement Eligibility.** You are eligible for retirement upon the attainment of age 50 and the completion of 10 years of Credited Service or the completion of 25 years of Credited Service regardless of age.

B. **Amount of Normal Retirement Benefits.** The amount of the normal retirement benefit is based on your Credited Service and Average Final Compensation:

"Credited Service" is generally your period of employment as a Police Officer in the Police Department measured in years and parts of years. Credited Service will include credit for up to five years for a break in employment for military service, pursuant to conditions provided for under state or federal law, provided that you are reemployed within 1 year of discharge under honorable conditions. Additional Credited Service time may also be available (See subsection J. below).

"Average Final Compensation" is 1/12 of your average salary of the 5 best years of the last 10 years of Credited Service prior to your termination, retirement or death or your career average as a full-time Police Officer, whichever is greater. If you are employed for less than 5 years, Average Final Compensation shall be your average salary during your total months of employment. A year is defined as 12 consecutive months.

"Salary" is total compensation for services rendered to the City as a Police Officer reportable on your W-2 form plus all tax deferred, tax sheltered, or tax exempt items of income derived from elective employee payroll deductions or salary reductions. For service earned on or after June 20, 2012, salary shall not include more than three hundred (300) hours of overtime per calendar year. Provided however, in any event, payments for overtime in excess of three hundred

(300) hours per year accrued as of June 20, 2012 and attributable to service earned prior to the June 20, 2012, may still be included in Salary for pension purposes even if the payment is not actually made until on or after June 20, 2012. In any event, with respect to unused sick leave and unused annual leave accrued prior to June 20, 2012, Salary will include the lesser of the amount of sick or annual leave time accrued on June 20, 2012 or the actual amount of sick or annual leave time for which the retiree receives payment at the time of retirement, regardless of whether the amount of sick or annual leave was, at some time prior to retirement, reduced below the amount on June 20, 2012.

The normal retirement benefit is calculated by multiplying 3% times years of Credited Service times your Average Final Compensation: ($3\% \times CS \times AFC = \text{normal retirement benefit}$). In any event, your monthly retirement benefit shall not be less than \$450.00.

Normal and early retirement payments will commence on the first day of the month coincident with or next following your last day of employment. Early retirees may defer the commencement of benefits. The benefit is paid to you for your life, but you or your beneficiary shall receive at least 120 monthly benefit payments in any event.

Each vested Plan Member shall be entitled, at the Fund's expense, to receive two actuarial studies (one preliminary and one final) to estimate his or her retirement benefits. Any additional studies shall be provided only at the Member's expense.

C. Early Retirement. You are eligible for early retirement upon the attainment of age 45 and the completion of 10 years of Credited Service.

D. Amount of Early Retirement Benefits. The amount of the early retirement benefit is calculated in the same manner as for normal retirement and is available as follows:

- (1) Beginning on the date on which you would have qualified for normal retirement; or
- (2) Beginning immediately upon retirement, but if beginning immediately, the amount of the monthly benefit is reduced by 3% for each year by which the commencement of benefits precedes the date which would have been your normal retirement date, determined based upon your actual years of Credited Service.

E. Benefit Adjustment. In addition to the benefits provided above, the Plan provides for a benefit adjustment as follows:

Members retiring on or after October 1, 2000, including normal and early retirees, disability retirees, their Joint Pensioners and Beneficiaries, but excluding terminated vested members, shall receive a 2.1% increase in their monthly benefit beginning the first October 1st following five (5) complete years of benefit payments. Subsequent adjustments shall be 2.1% of the then current benefit, effective each fifth October 1st following the previous adjustment.

F. Other Retirement Options: At retirement, certain additional options are available as follows:

- (1) Optional Forms of Retirement. In lieu of the amount and form of retirement income payable under normal and early retirement, you may elect to receive a retirement benefit in a different form so long as the form you elect is of equal actuarial value as the normal benefit. The optional forms of benefits which are available are:
 - (a) A retirement income of a monthly amount payable to you for your lifetime only.

- (b) A retirement income of a modified monthly amount, payable to you during your lifetime and following your death, 100%, 75%, 66 2/3% or 50% of such monthly amount payable to a joint pensioner for his lifetime.
- (c) If you retire prior to the time at which social security benefits are payable, you may elect to receive an increased retirement benefit until such time as social security benefits shall be assumed to commence and a reduced benefit thereafter in order to provide, to as great an extent as possible, a more level retirement allowance during the entire period of retirement.

(2) Deferred Retirement Option Plan (DROP).

- (a) If you become eligible for normal retirement, and are still employed by the City as a police officer, you have the option of "retiring" from the pension plan but continuing your employment as a police officer for an additional five years. An election to participate in the DROP constitutes an irrevocable election to resign from the service of the City not later than 5 years from the commencement of DROP participation. You must request, in writing, to enter the DROP.
- (b) Upon entering the DROP, your retirement benefit is immediately calculated and each monthly benefit payment is deposited into your DROP account. Your account earns an investment return on the actuarial value of the assets of the Fund calculated annually as reported to the Division of Retirement. You could experience losses as well as gains. An administrative fee of at least one-quarter of one percent of the account earnings will be charged and deducted from your account. The Board may make reasonable increases in the administrative fee by resolution.
- (c) At the time of termination of employment at the end of the DROP period, you will receive your account balance in a lump sum or in another optional form and you will also begin receiving your monthly retirement benefit.
- (d) Once you enter the DROP, you are no longer eligible for disability or pre-retirement death benefits, nor do you accrue any additional Credited Service. Your retirement benefit is fixed as of your entry date. You pay no member contributions to the plan once you enter the DROP.
- (e) Participation in the DROP is not a guarantee of employment and DROP participants shall be subject to the same employment standards and policies that are applicable to employees who are not DROP participants.
- (f) Additional information about the DROP can be obtained from the Board.

G. Disability Retirement. You are considered disabled when you become totally and permanently unable to perform useful and efficient service as a Police Officer. A written application is made to the Board for a disability pension and the Board receives evidence of the disability and decides whether or not the pension is to be granted. If the pension is granted, the benefit amount shall be:

- (1) If the injury or disease is service connected, a benefit equal to the greater of 3% of your Average Final Compensation multiplied by the total years of service or 50% of your Average Final Compensation.
- (2) If the injury or disease is not service connected, a benefit equal to 3% of your Average Final Compensation multiplied by the total years of Credited Service. This non-service connected benefit is only available if you have at least 10 years of Credited Service.
- (3) Benefit Adjustment. Effective October 1, 2000, disability Retirees, their Joint Pensioner or Beneficiary, shall receive a 2.1% increase in their benefits every fifth year. This COLA shall be applied in accordance with Section 6, Benefit Amounts and Eligibility of your plan document.

Eligibility for disability benefits. Subject to (4) below, you must be an active member of the plan on the date the Board determines your entitlement to a disability benefit.

- (1) Terminated persons, either vested or non-vested, are not eligible for disability benefits.
- (2) If you voluntarily terminate your employment either before or after filing an application for disability benefits, you are not eligible for disability benefits.
- (3) If you are terminated by the City for any reason other than for medical reasons, either before or after you file an application for disability benefits, you are not eligible for disability benefits.
- (4) The only exception to (1) above is:
 - (a) If you are terminated by the City for medical reasons and you have already applied for disability benefits before the medical termination, or;
 - (b) If you are terminated by the City for medical reasons and you apply within 30 days after your medical termination date.

If either (4)(a), or (4)(b) above applies, your application will be processed and fully considered by the board.

Your disability benefit terminates upon the earlier of death, with 120 payments guaranteed, or recovery. You may, however, select a "life only" or "joint and survivor" optional form of benefit as described above under "Optional Forms of Retirement".

Any amounts which may be paid or payable under the provisions of any worker's compensation or similar law to you or to your dependants on account of any accidental disability shall be offset and payable in lieu of any benefits payable under provisions of the Plan on account of the same accidental disability. The offset shall be applied in such manner as the Board shall approve and in accordance with applicable law.

Any condition or impairment of health caused by hypertension or heart disease resulting in death or total and permanent disability is presumed to have been suffered in the line of duty unless the contrary is shown by competent evidence; provided that you have successfully passed a physical examination on entering into service and there is no evidence of the condition at that time.

For conditions diagnosed on or after January 1, 1996, if you suffer a condition or impairment of health that is caused by hepatitis, meningococcal meningitis, or tuberculosis, which results in total and permanent disability, it shall be presumed that the disability is in the line of duty, unless the contrary is shown by competent evidence as provided for in Section 112.181, Florida Statutes; provided that the statutory conditions have been met.

To receive disability benefits, you must establish to the satisfaction of the Board, that such disability was not occasioned primarily by:

- (1) Excessive or habitual use of any drugs, intoxicants or narcotics.
- (2) Injury or disease sustained while willfully and illegally participating in fights, riots or civil insurrections or while committing a crime.
- (3) Injury or disease sustained while serving in any branch of the Armed Forces.
- (4) Injury or disease sustained after your employment as a Police Officer with the City of Tarpon Springs shall have terminated.
- (5) Injury or disease sustained while working for anyone other than the City and arising out of such employment.

As a disabled pensioner, you are subject to periodic medical examinations as directed by the Board to determine whether a disability continues. You may also be required to submit statements from your doctor, at your expense, confirming that your disability continues.

H. Death Before Retirement. If you die prior to retirement from the Police Department, your beneficiary shall receive the following benefit:

- (1) Service Incurred. In the event that you die from a cause which is determined by the Board to have been incurred while performing duties as a Police Officer of the City before December 1, 2014, your spouse shall receive a monthly benefit equal to 50% of your Average Final Compensation in effect at the date of your death. In the event that you die from a cause which is determined by the Board to have been incurred while performing duties as a Police Officer of the City on or after December 1, 2014, your spouse shall received a monthly benefit equal to 100% of your Average Final Compensation in effect at the date of your death. The monthly benefit shall commence on the first day of the month following the date of your death and shall continue to be paid until the first day of the month preceding your spouse's death.
- (2) Non-Service Incurred or No Surviving Spouse. In the event that you had completed at least 10 years of Credited Service and you die from a cause which is determined by the Board not to have been incurred while performing duties as a Police Officer of the City, your spouse shall receive a monthly benefit equal to 25% of your Average Final Compensation in effect at the date of your death. The monthly benefit shall commence on the first day of the month following the

date of your death and shall continue to be paid until the first day of the month preceding the earlier of your spouse's death or remarriage. If you were not married at the time of your death or if you had completed less than 10 years of Credited Service, your beneficiary shall receive a return of your Accumulated Contributions.

- (3) Minimum Benefit. In lieu of the benefit provided for in subsection 1 or 2 above, if you designate a beneficiary who is not your spouse or if no beneficiary is designated other than the spouse and the benefit provided for in this subsection (3) is greater than the benefit provided for in subsection 1 or 2 above, then the benefit shall be that provided for in this subsection (3).
 - (a) If you were vested, but not eligible for normal or early Retirement, the beneficiary shall receive an immediate benefit payable for 10 years, which is actuarially reduced to reflect the commencement of benefits prior to the early Retirement date.
 - (b) If you were eligible for normal or early Retirement, your beneficiary shall receive a benefit payable for 10 years, beginning on the first day of the month following your death or at your otherwise early or normal Retirement date, at the option of your beneficiary. The benefit shall be calculated as for normal Retirement based on your Credited Service and Average Final Compensation as of the date of your death and reduced as for early Retirement, if applicable.
 - (c) Your beneficiary may not elect an optional form of benefit, however, the Board may elect to make a lump sum payment pursuant to Section 9, subsection 4.
 - (d) Your beneficiary may, in lieu of any benefit provided for in (a) or (b) above, elect to receive a refund of your Accumulated Contributions.

I. Termination of Employment and Vesting. If your employment is terminated, either voluntarily or involuntarily, the following benefits are payable:

- (1) If you have less than 10 years of Credited Service upon termination, you shall be entitled to a refund of the money you have contributed or you may leave it deposited with the Fund.
- (2) If you have 10 or more years of Credited Service upon termination, you shall be entitled to a monthly retirement benefit. The benefit shall be determined in the same manner as for normal or early retirement and shall be based upon your Credited Service, Average Final Compensation and the benefit accrual rate as of the date of termination. The benefit shall be payable to you starting at your otherwise normal or early retirement date, determined based upon your actual years of Credited Service, provided you do not elect to withdraw your contributions and provided you survive to your otherwise normal or early retirement date. If you do not withdraw your accumulated contributions and do not survive to your otherwise normal or early retirement date, your designated beneficiary shall be

entitled to a benefit as provided herein for a deceased member, vested or eligible for retirement under Death Before Retirement.

The Internal Revenue Code provides that certain eligible lump sum distributions from the pension plan may be directly rolled over into qualified individual retirement accounts, annuities or certain other pension plans. A 20% withholding shall be required on taxable portions of such lump sum distributions not directly transferred to a new custodian.

J. Additional Credited Service. In addition to Credited Service actually earned in the employment of the Police Department, you may also receive Credited Service as follows:

- (1) "Buy-Back" for Prior Police Service. The years or fractional parts of years that you previously served as a police officer with the City of Tarpon Springs during a period of previous employment and for which period accumulated contributions were withdrawn from the Fund shall be added to your years of Credited Service provided that within the first 90 days of your reemployment you pay into the Plan the withdrawn contributions with interest.

If, after 90 days from your reemployment you have failed to purchase Credited Service pursuant to the previous paragraph or if you served as a full-time paid police officer for any other municipal, county or state law enforcement agency in the State of Florida, you will receive Credited Service only if:

- (a) You contribute to the Fund a sum equal to:
 - (i) the amount that you would have contributed to the Plan, based on your salary and the member contribution rate in effect at the time that the Credited Service is requested, had you been a member of the Plan for the years or fractional parts of years for which you are requesting credit, plus
 - (ii) an additional amount to be determined by the Board's actuary so that there is no cost to the Plan in giving you the additional years of Credited Service, plus
 - (iii) the amount charged by the actuary for determining the amount you must contribute.
- (b) Multiple requests to purchase Credited Service may be made at any time prior to retirement.
- (c) Payment of the required amount shall be made within 6 months of your request for credit, but not later than your retirement date, and shall be made in one lump sum payment upon receipt of which Credited Service shall be given.
- (d) The maximum credit under this subsection for service other than with the City of Tarpon Springs when combined with Credited Service purchased for military service prior to employment shall be five (5) years of Credited Service and shall count for all purposes, except vesting and eligibility for not-in-line of duty disability benefits. There shall be no maximum purchase of credit for prior service with the City of

Tarpon Springs and such credit shall count for all purposes, including vesting.

- (e) In no event, however, may Credited Service be purchased pursuant to this subsection for prior service with any other municipal, county or state law enforcement department, if such prior service forms or will form the basis of a retirement benefit or pension from a different employer's retirement system or plan.
- (2) "Buy-Back" of Time Lost Due to Absences Authorized by the Family and Medical Leave Act. If you are absent on unpaid leave under the Family & Medical Leave Act, you may purchase lost Credited Service by making an actuarially determined contribution to the Plan, such that there is no cost to the Plan in allowing such Credited Service, within strict time periods provided for in the plan document.
 - (3) "Buy-Back" for Military Service Prior to Employment. The years or fractional parts of years that you serve or have served on active duty in the military service of the Armed Forces of the United States, the United States Merchant Marine or the United States Coast Guard, voluntarily or involuntarily and honorably or under honorable conditions, prior to first and initial employment with the City of Tarpon Springs Police Department shall be added to your years of Credited Service provided that:
 - (a) You contribute to the Fund a sum equal to:
 - (i) the amount that you would have contributed to the Plan, based on your salary and the member contribution rate in effect at the time that the Credited Service is requested, had you been a member of the Plan for the years or fractional parts of years for which you are requesting credit, plus
 - (ii) an additional amount to be determined by the Board's actuary so that there is no cost to the Plan in giving you the additional years of Credited Service, plus
 - (iii) the amount charged by the actuary for determining the amount you must contribute.
 - (b) Multiple requests to purchase Credited Service may be made at any time prior to retirement.
 - (c) Payment of the required amount shall be made within 6 months of your request for credit, but not later than your retirement date, and shall be made in one lump sum payment upon receipt of which Credited Service shall be given.
 - (d) The maximum credit under this subsection when combined with Credited Service purchased for prior police service with an employer other than the City of Tarpon Springs shall be 5 years and shall count for all purposes except vesting and eligibility for not-in-line of duty disability benefits.

- (4) Rollovers or Transfers of Funds to Purchase Service. In the event you are eligible to purchase additional Credited Service as provided above, you may be eligible to rollover or transfer funds from another retirement program in which you participate (traditional IRA, deferred compensation plan maintained by a government employer (457 plan), 401k plan, profit sharing plan, defined benefit plan, money purchase plan, annuity plan or tax sheltered annuity) in order to pay all or part of the cost of purchasing such additional Credited Service.

K. Contributions and Funding. The City is paying the portion of the cost of the pension plan over and above your contributions and any amounts received from the state insurance rebates. You contribute 8% of your salary to the Fund. Your contribution will be excluded from your gross income for withholding purposes so you will realize income tax benefits. Your contributions are guaranteed refundable in any event.

L. Minimum Benefits. In no event will the benefits paid from this Plan be any less than your contributions.

M. Maximum Benefits. In no event will the annual benefits paid from this Plan exceed \$215,000 annually, subject to certain cost of living adjustments and actuarial reductions, under certain circumstances, prior to age 62 as set forth in Section 415 of the Internal Revenue Code.

If you began participation for the first time on and after January 1, 1980, you cannot receive a benefit in excess of 100% of your Average Final Compensation. If you began participation prior to this date, you are not subject to the 100% limitation.

N. Forfeiture of Pension. If you are convicted of the certain crimes listed in the plan document committed prior to retirement, or if your employment is terminated by reason of your admitted commission, aid or abetment of these crimes, you shall forfeit all rights and benefits under the Plan, except for the return of your contributions as of the date of your termination.

- O. Conviction and Forfeiture; False, Misleading or Fraudulent Statements.

It is unlawful for you to willfully and knowingly make, or cause to be made, or to assist, conspire with, or urge another to make, or cause to be made, any false, fraudulent, or misleading oral or written statement or withhold or conceal material information to obtain any benefit from the Plan.

If you violate the previous paragraph, you commit a misdemeanor of the first degree, punishable as provided in Section 775.082 or Section 775.083, Florida Statutes.

In addition to any applicable criminal penalty, upon conviction for a violation described above, you or your beneficiary may, in the discretion of the Board, be required to forfeit the right to receive any or all benefits to which you would otherwise be entitled under the Plan. For purposes of this subsection, "conviction" means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

P. Claims Procedure Before the Board. You may request, in writing, that the Board review any claim for benefits under the Plan. The Board will review the case and enter a decision as it deems proper within not more than 180 days from the date of the receipt of such written request, or in the case of a disability claim, from receipt of a medical release and completed interrogatories. The time period may be extended if you agree to the extension.

The Board's decision on your claim will be contained in an order which will be in writing and will include:

- (1) The specific reasons for the Board's action;
- (2) A description of any additional information that the Board feels is necessary for you to perfect your claim;
- (3) An explanation of the review procedure next open to you which includes a formal evidentiary hearing.

4. **NON-FORFEITURE OF PENSION BENEFITS**

A. Liquidation of Pension Fund Assets. In the event of repeal, or if contributions to the Fund are discontinued by the City, there will be a full vesting of benefits accrued to date of repeal.

B. Interest of Members in Pension Fund. At no time prior to the satisfaction of all liabilities under the Plan shall any assets of the Plan be used for any purpose other than for the Police Officers' exclusive benefit. In any event, your contributions to the Plan are non-forfeitable.

5. **VESTING OF BENEFITS**

Your retirement benefits are vested after 10 years of Credited Service.

6. **APPLICABLE LAW**

The Plan is governed by certain federal, state and local laws, including, but not limited to the following:

- A. Internal Revenue Code and amendments thereto.
- B. Chapter 185, Florida Statutes, "Municipal Police Officers' Retirement Trust Funds".
- C. Part VII, Chapter 112, Florida Statutes, "Actuarial Soundness of Retirement Systems".
- D. Ordinances of the City of Tarpon Springs.
- E. Administrative rules and regulations adopted by the Board of Trustees.

7. **PLAN YEAR AND PLAN RECORDS**

The plan year begins on October 1 of each year and ends on September 30 of the following year. All records of the Plan are maintained on the basis of the plan year.

8. **APPLICABLE PROVISIONS OF COLLECTIVE BARGAINING AGREEMENTS**

There is a current collective bargaining agreement between the City and the Police Officers. Pension benefits are bargainable.

9. **FINANCIAL AND ACTUARIAL INFORMATION**

- A. A report of pertinent financial and actuarial information on the solvency and actuarial soundness of the Plan has been prepared by the Pension Plan's actuary, Foster & Foster, Inc., and is attached as Exhibit "B".

- B. A copy of the detailed accounting report of the plan's expenses for the fiscal year is available for review upon request to the Plan Administrator.
- C. A copy of the administrative expense budget for the plan, for each fiscal year is available for review upon request to the Plan Administrator.

10. **DIVORCE OR DISSOLUTION OF MARRIAGE**

The City of Tarpon Springs Police Officers' Pension Plan is a governmental plan, and therefore, is not subject to Qualified Domestic Relations Orders ("QDROs") under federal law, or court orders to effectuate an equitable distribution of marital assets.

The Plan is subject to 61.1301, Florida Statutes, entitled Income Deduction Orders ("IDO"). Section 61.1302 is limited to the collection of alimony and child support. Therefore, if the Plan receives and IDO for alimony or child support, the Plan will comply with the Order. Additionally, pension benefits may be distributed by using an "Order Distributing Marital Interest in a Public Retirement Plan." A copy of this order may be obtained from the Office of the Plan Administrator.

Effective January 1, 2019, changes in the federal tax laws have eliminated tax deductions for alimony if a marriage was dissolved or a property settlement agreement was made on or after January 1, 2019. Modifications to existing orders or agreements on or after January 1, 2019, may be tax deductible if both parties agree.

11. **EX-SPOUSES AS BENEFICIARY OR JOINT PENSIONER**

The Florida Legislature has adopted Section 732.703, Florida Statutes. This law nullifies the designation of your ex-spouse as a Beneficiary or Joint Annuitant / Joint Pensioner on your pension plan retirement benefits. This law went into effect on July 1, 2012.

After July 1, 2012, if you want your ex-spouse to be a beneficiary or joint annuitant/joint pensioner for your plan benefit, you will have to make that designation AFTER the dissolution of marriage. If you currently have an ex-spouse as a beneficiary or joint annuitant/joint pensioner, and want to keep this designation, you will have to designate the ex-spouse again after July 1, 2012.

To reconfirm your current beneficiary, or to designate a new beneficiary, complete a new Designation of Beneficiary Form (PF-3).

To reconfirm your current joint annuitant/joint pensioner, or to designate a new joint annuitant/joint pensioner (if authorized by the current plan provisions), indicate such change on a Change or Confirmation of Designated Joint Annuitant or Joint Pensioner Form (PF-25). If necessary, the plan administrator will submit the new form to the actuary of the plan for recalculation of your benefit. There may be a charge to you to make this change.

To obtain either of the above forms, or if you have any questions, please contact your plan administrator.

12. **EXCLUSION OF HEALTH INSURANCE PREMIUMS FROM INCOME.**

When you retire because of disability or have worked to the date you are immediately eligible for normal retirement (not early retirement), you can elect to exclude from income, distributions made from your benefit that are used to pay the premiums for accident or health insurance or long-term care insurance. The premium can be for coverage for you, your spouse, or

dependents. The distribution must be made directly from the plan to the insurance provider using pension form PF-22 which authorizes the distribution. (This form may be obtained from your plan administrator) You can exclude from income the smaller of the amount of the insurance premiums or \$3,000.00. You can only make this election for amounts that would otherwise be included in your income.
